DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Kia Silverbrook on 2/4/07.

The application has been amended as follows:

In the claims:

- In claim 1 – lines 11-12, claim 19 – lines 12-13, and claim 38, lines 14-15, "a point of collapse that is spaced from any all solid surfaces within the inkjet printhead" was changed to **"a point of collapse that is spaced from all solid surfaces within the inkjet printhead"**.

Reasons For Allowance

2. The following is an examiner's statement of reasons for allowance:
- The primary reason for allowance of claims 1, 19, and 38 is due to the inclusion of the limitation which states "the gas bubble subsequently collapses to a point of collapse that is spaced from all solid surfaces within the inkjet printhead". The limitation overcomes the prior art.

- The reason for allowance of claims 2-18, 20-37, and 39-54 is due to their dependency on claims 1, 19, and 38, which overcome the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Han S. Choi whose telephone number is (571) 272-8350. The examiner can normally be reached on Monday - Friday, 8:30am to 5:00pm.
